

Missouri Alliance for Drug Endangered Children
2009 Exhibit Registration Form
Deadline Date is June 19, 2009
(Keep copy for your reference)

The Missouri Alliance for Drug Endangered Children (MO-DEC) is hosting its inaugural summit on July 21-22, 2009 at the Resort at Port Arrowhead in Lake Ozark. We are excited about this first opportunity for groups throughout Missouri to learn, share, and connect with each other.

This day-and-a-half summit combines educational offerings aimed at a cross-disciplinary audience with an opportunity for emerging and established local drug endangered children teams to guide the development of the MO-DEC. We expect approximately 125 people to attend the summit.

Exhibit tables are available during the summit for a nominal fee of \$50.00. This is a great opportunity to collaborate, display your organization's advocacy for protecting children, and bring community partners together.

If you are interested, please enclose the exhibit registration form (and make your check payable to the **Missouri Juvenile Justice Association (MJJA)**) and mail to:
