

Missouri Courts Job Announcement

Disproportionate Minority Contact Analyst

Post Id: 1484

Organization: OFFICE OF STATE COURT ADMIN

Location: JEFFERSON CITY

Full-Time Equivalent (FTE): 40 Hours/Week

The Office of State Courts Administrator has an opening for a Research Principal Management Analyst to work in the area of disproportionate minority contact in the juvenile justice system. This is a grant funded position. The individual in this position will conduct complex statistical procedures using a database querying tool and SPSS, and be able to communicate research findings to a wide range of audiences. Duties will include complying with grant reporting requirements, taking a lead role in designing methods of analysis to answer research questions, developing information dissemination products, and meeting with communities involved in reducing racial disparities in the juvenile justice system.

Minimum qualifications: Master's degree with a specialization in research methods and statistics, social sciences or econometrics. We are looking for an individual with experience in data extraction, manipulation, and analysis using applications such as SAS, SPSS, Cognos ReportNet, or advanced Excel to extract and analyze data in a relational database environment. Knowledge of Missouri juvenile courts would be a plus.

Minimum Salary: \$48,852.00

How Do I Apply:

Individuals, including current judicial employees, interested in this position must register to complete a profile and submit an application prior to the application deadline, if applicable. Applicants with the necessary educational qualifications must also upload a copy of their college transcript(s) to the online application system. Individuals who have previously completed a profile and wish to be considered for this position must login to their profile and submit an application prior to the application deadline, if applicable.
