

## ***Great Circle Employment Opportunity***

Do you want to make a difference in the lives of children and families? Do you connect well with others & know that laughter is essential to building a good team? Great Circle has an opportunity for an experienced leader to help a team of therapists grow & contribute to one of the largest children's behavioral health agencies in Missouri. As a key member of the regional leadership team, the Clinical Services Manager helps set the tone for the entire agency by collaborating with leaders across the state to provide excellent clinical and case management services to our clients.

The Clinical Services Manager position is located on our St. Louis, MO campus. The person in this position will supervise the job duties of all nine employees in the Clinical Services Department. This position will coordinate the clinical and case management services for residents, as well as off campus departments or agencies. Master's Degree in Clinical Services field required, Missouri licensure as an PLC or LCSW preferred
