

**CHILDREN'S DIVISION
EDUCATIONAL NEGLECT
SCREENING PROTOCOL**

The following questions have been added to the screening process for educational neglect calls

FOR IN PERSON ENROLLMENT

- ✓ If enrolled, what type of learning has your school district adopted for the school year?
 - ✓ Are any of the absences because of or related to COVID-19?
(Symptoms, exposure, or quarantine will be considered excused)
 - ✓ Is there a history of the child not attending or participating in school regularly?
- ✓ Efforts by the school: If child was quarantined, has the school followed up with the parents to see if they are prepared for virtual learning during this time? If not, what has the school done to assist in helping the child with virtual learning during quarantine?

FOR VIRTUAL / HYBRID LEARNING

- ✓ ALL QUESTIONS FOR IN PERSON ENROLLMENT. . . . PLUS the following
 - ✓ Did the parents report they had devices to support virtual learning?
- ✓ Did the parents report they had adequate internet connectivity to support virtual learning?
 - ✓ How is the parent/guardian alerted of course completion?
 - ✓ Has the child's grades been impacted?
- ✓ Efforts by the school: Was a device provided to the child by the school district? If not, what has the school done to assist in helping the child with virtual learning?
