Rodney Fisher's "Future of a Child"

Scholarship Recipient

This scholarship is generously sponsored by FCC Behavioral Health

ABBRIELLA INGLE

Abbriella Ingle is an 18-year-old senior at Macon High School in Macon, Missouri. Abbriella will graduate on May 9 and has been accepted for admission to the University of Central Missouri in Warrensburg in the fall. Abbriella plans to pursue a degree in Criminal Justice, which was a primary reason for applying for admission to UCM.

During high school, Abbriella was a member of Skills USA, serving as Vice-President of Membership Engagement during the 2023-2024 school year. Abbriella was also a varsity cheerleader for football and basketball. In addition to her extracurricular activities, Abbriella is employed at Tri-County Christian School and Prenger Foods, working 25 hours per week. Despite her full-time academic schedule, her participation in extra-curricular activities, and her employment outside of school, Abbriella has maintained a GPA of 3.8 and was on the "A" Honor Roll for two consecutive semesters. Abbriella's interests and hobbies include cheerleading, reading, and developing good communication skills.

In a letter of reference, Abbriella's Criminal Justice Instructor at Macon Career Center writes, "Ms. Ingle has been a student of mine for the past two years. Ms. Ingle is a strong performer in most any task she is asked to complete; she excels at understanding criminal justice concepts and also excels at hands-on tasks. She has the ability to be a leader and is good at working with various students in the class. She is a motivated individual who always strives at maintaining a high grade and sets an excellent example for other students to follow."

Abbriella's High School Principal, Wesley Land, writes, "I have had the privilege of observing Abbriella's work and attitude in classrooms and extracurriculars. I have witnessed her exceptional work ethic, positive attitude, and unwavering perseverance. Her ability to manage multiple responsibilities while excelling in her studies speaks volumes about her time management skills and determination. Abbriella is very talented, but what truly sets her apart is her hard work, great attitude, enthusiasm, and leadership. For one individual to hold all of these qualities can be rare to find."

Abbriella's Juvenile Justice Sponsor is Jenn Willis, 41st Circuit Juvenile Office (Macon and Shelby Counties).

2025 Education Scholarship Recipients

In addition to the 2025 MJJA Higher Education Scholarship, and because of the generosity of MJJA members and supporters, MJJA is happy to announce that **we will continue to provide financial support to the following students.** These are past recipients of MJJA's Higher Education Scholarship who continue pursuing college degrees.
